1. Will you let Me write through you every day of the week, Sunday through Saturday, week-thought, week Mine, week yours, weak not, all about Me and My week of weeks and WeekWorks coming forth and forth-letting My who love Me to come forth in weeks of glory, writing My words and knowing who I am for the first time, many. See Me see you sitting there, gleaning, glowing and taking in to truth truth, taking My word into My word, them being My word and hearing My word for the first time, through their lips, through Mine, thine, and one are we. Amen.

2. I love you and give you weeks of only Me, not weak but My strength only, My word only, watch Me. My word there with each other sharing with each other in paradigms the world knows not of, but will; My eschatologists biting their nails at all the things they taught wrong and knowing not what now to do about it; Me, in whom is no shadow or variableness of turning. I love you.

3. Love My eschatologists and soothsayers, one, are so many, yet Me are and lovest thou Me? Anytime tempted to disdain? Lovest thou Me? Accusest (1) thou Me? I love you.

4. I give you Me through strains of only Me. See what I have said. Shelter not but receive Me unto Me that where I already am I am freed in release of weeks of only Me; six weeks, one week, 70 weeks, all weeks now fashioned after only Me with My who let Me come, and let Me forth, through their letting device; their mouth, heart, ark covenant and complete be, repleting My professions for the Kingdom of Heaven complete, seen, walked in, experienced, fashioned, My heart only, the heart of My Father, your heart now the heart of the Father; the Father come forth in love to nurture love and lovest thou My body all, even those who hate you prolifically and hurt you they would. They can't. Watch Me reflecting Me back into them to light receive and receive or reject. The choice is always with them and they make their choices. No one else does. You. You. Me. I love you.

5. I made My choices and you see where it took Me, to you. Where do you want to go? What do you want to be? Shall the clay say to the potter fashion Me thus? Shall the sawyer say to the saw cut Me here and there and this way and that? I love you.

6. My choices make and receive Me unto Myself, cyclic nation of only Me all known and understood; and so closed become anxious eschatologists biting their nails and forfeiting adventures in Me. Un-doctrinate-able I am. Watch Me explode the thermometers of those who think they have My temperature. I love you.

7. Blasting out of oblivion into obviousness in My weeks of only Me where I come and mansion make complete, the ark seen, restored not, always there, Me in My rightful place and them in theirs, and us exchanging places and beholding each other, the lamb slain. Thank you. Amen. I love you. Amen. I love you. Amen and amen.

8. I love you every single one thought poor, thought destitute, thought demised, thought forlorn, thought powerful, thought dependent on money and men and mammon-power. Forgive Me, forgive you, forgive each other and repentance be for My forlorn not, powerful and dependent upon only Me. I love you. My brethren you are. Amen. I love you. Amen. My brethren are Me. Amen.

9. One see in weeks of only Me that come forth, form and fashion of only Me, on land and shore and vessels of only Me that **transform the transformational process to** transform eschatologists and vocationalists of every vocation to speak Me and be Me to others. **Atlantis revisited**. Watch Me. Smile. Across all borders, borderless Christians not, borderless who love Me and Me are, submitted-surrendered and drink-offerings before each other are humility'd, humility receiving, being, and experience/serving now across time/centuries and beholdest thou Me **and what I am saying?**

10. I am the voice of My word.
I am the word of My voice.
I am preeminent.
I am My voice.
Behold the lamb slain.
I love you. Amen.

11. Go and glow and paper write and exalt only Me. Amen.

12. **Opportunity comes in the morning.** Seize Me not in hastefulness but meditate before Me for My wholeness in these things. Amen. I love you. Good day.
